Lindenhurst Park District has a five (5) member Board. The Board members are unpaid and elected to six (6) year-term positions. Park Board members must reside within the Park District boundaries. Primarily, the Park Board establishes policies based on sound research and consideration of community needs. They adopt policies that allow the Park District to run efficiently, effectively, legally, and ethically. They request, receive, evaluate, and make decisions based on guidance from the Executive Director. Lindenhurst Park District encourages public interaction and believes in being actively involved in our community.

Board Meetings

Regular meetings of the Park Board of Commissioners are held on the second Tuesday of each month at 6:00pm at the Lindenhurst Park District. The public is always invited to attend. If you want to address the board, please contact Dave Mohr Jr., Executive Director, at 847.356.6011 x 1003 or dmohr@lindenhurstparks.org.

About Us

Lindenhurst Park District is located in northwestern Lake County, Illinois. The District was formed on April 15, 1988. A five-member, non-paid elected board establishes policy for the district and provides direction on program and facility development. Our current park board has over 60 years of combined experience. We have a supporting cast of local individuals, organizations, government, and businesses, allowing our Park District to move forward progressively and accomplish improvements beneficial to you. Recreational opportunities continue growing with 19 named park sites, two beaches, 15 playgrounds, and 25 parcels of open space, totaling 134.5 acres, which offer great active features combined with designated passive/natural areas. We operate a 31,000 sq. ft. Community Center with a full-size gymnasium, 3-lane suspended walking/jogging track, aerobic and dance studios, senior/active adult room, preschool, multi-purpose and activity rooms, offices, and more, all ADA accessible. We have also made improvements at each named park and beach site within the decade, under a tax cap and without a referendum.

FROM THE DIRECTORS DESK

Dear Friends and Neighbors:

After almost 30 years of service and an incredible career, our Business Manager, Linda Marturano, will be retiring at the end of August.

Upon relocating to Lindenhurst from Grayslake, Linda was recruited by our current Director of Marketing and Communications, Kathy Kohler, to work part-time and fill in for a "short" maternity leave. That "short" part-time role became a long-term evolutionary career, working several jobs and wearing many hats as the park district grew quickly in the early 90's and 2000's. From special event planning and programming to registration and customer service, she found her permanent role as the district's first and only Business Manager. Linda is not only a valuable member of our Park District but also a valuable member of our community. She has volunteered for various organizations and events throughout her career, most notably the Lake Villa Township Lions Club, of which she has been a member for over 14 years. Throughout her tenure as Business Manager, she has successfully supported two Executive Directors and countless staff members, all of whom share immense gratitude and sentiment for her commitment to making the Lindenhurst Park District a better place for all its residents. Our success is not possible without her service, dedication, commitment, and passion for our community. On a personal note, I will miss her assertiveness, compassion, loyalty, dependability, and, most of all, her undeniable support and friendship.

We wish you the best as you retire from work but not from life. "It's not the days in life we remember, rather than the moments." – Walt Disney

Our Approach

Our curriculum, guided by the Illinois Early Learning Standards, is centered on the belief that children learn best through creative play and exploration. Our classrooms and curriculum have been carefully designed to promote varied learning experiences. Children participate in individual, small group, and whole-group activities daily.

We strive to prepare our students for kindergarten by incorporating activities that promote the development of social, emotional, physical, cognitive, and language skills.

Our teachers recognize each child's unique learning styles, needs, and interests and work diligently to offer learning experiences that are developmentally appropriate considering our students' ages, individual needs, and social and cultural contexts.

If you are interested in visiting our preschool, checking availability, or would like more information, please contact us at 847.356.6011.
